Oman Society for Petroleum Services (OPAL) along with Oman Expo organized the 3rd edition of Opal Oil & Gas Conference which will be held under the auspices of Ministry of Oil & Gas with the theme “Shaping the future of Oman’s Oil and Gas industry” from 21 to 23 October 2019 at Oman Convention & Exhibition Centre, Muscat, Oman.

OPAL Oil and Gas Conference 2019 is Oman’s premier Oil and Gas platform that brings together key stakeholders for three days of rich-content thought leadership and networking along with industry expert speakers who will share winning strategies and solutions to face the future of Oman’s energy industry.

Main conference themes for the OPAL Oil & Gas Conference 2019 included:

1. ICV and Human Resources and Training
2. Offshore Development in Oman
3. Renewable and Future Energy Spotlight
4. Future commercial outlook
5. ICT in Oil & Gas
6. IoT in Oil & Gas
7. Advanced tech in Oil & Gas

Sarooj Construction Company took part of the event and designed its own stand which attracted different clients and suppliers.
