

**LETTER OF APPRECIATION**

We, GS ENGINEERING & CONSTRUCTION, would like to express our heartfelt gratitude for the hard work, good cooperation, safety awareness and tremendous service rendered by AL SAROOJ CONSTRUCTION COMPANY LLC, who has undertaken and carried out the Civil & Underground Piping Works towards the successful completion of Mechanical Completion of LIWA PLASTICS INDUSTRIES COMPLEX PROJECT EPC-3 (LPIC-3) for our Client ORPIC, Sultanate of Oman.

We appreciate SAROOJ management and the team members in undertaking the task and the job excellently and are looking forward to maintaining the same relationship, performance and cooperative efforts.

Yours faithfully,
